## **Outer Banks Wedding Package Options**

There are 3 main types of Outer Banks Wedding Packages: Ceremony Only, Event Home Weddings and Venue Weddings. The most popular choice for the ceremony itself is of course the beach. But, there are other picturesque Outer Banks locations as well and many of these are sound front.

### **Ceremony Only Wedding Packages**

These Outer Banks Weddings are usually held on a romantic, toes in the sand, beach location. We have our favorite strands of beach but we can travel to your Outer Banks choice. These Ceremony Only packages include your choice of Arch, Decor and Chairs, and can include an Officiant, Musician, Photographer, and a Bouquet and Boutonniere. This package is a low cost option and perfect for an Elopement or Small Outer Banks Wedding.

### **Event Home Wedding Packages**

For those couples wanting an intimate setting for family and friends spending vacation time together and making lifetime memories, an Event Home is a fantastic choice. Every Outer Banks Event Home on the 11th Hour Weddings and Events website, are oceanfront and are a private mini resort. Ceremonies can be on the beach or on expansive decks overlooking the ocean, and each has a stress free rain backup plan. Our variety of packages with rental, decor, vendors and floral, allow you a great starting place to custom design your own.

### **Venue Wedding Packages**

If staying with family and friends isn't your romantic vision, there are a variety of Outer Banks Venues. Many are oceanfront and sound front, and others are at lighthouses, on golf courses or are historic homes and buildings. We work with a wide range of these venues to provide you with an extensive choice. We provide planning and directing, decor and floral, and any vendor or service the venue does not already provide. Many of these Outer Banks Venues require you hire a certified and insured Planner/Director, because they want your event to go smoothly at their location.
