We are delighted that you would consider holding your very special event with us. We aim to provide you with a serene, intimate location for your big day. Arbor Haven is family-owned and operated, located just minutes from Fredericksburg and convenient accommodations. We offer 42-acres of breathtaking, spacious grounds for your unforgettable event.

When you choose Arbor Haven, you secure exclusive use of the grounds, which are adjacent to a beautiful pond with a floating gazebo and fountain, perfect for your ceremony backdrop. Adjacent to the pond and dock is a 5400 square foot structure tent, with rounded end, that sits on a unique stained concrete floor, and a newly built restroom facility.

Our rustic barn yard is available for your cocktail hour photos, and our charming 1000-square foot bridal suite is the perfect place for the bridal party to get ready for the day's celebrations, located within walking distance of your ceremony site.

Our packages include 5 foot round tables with fruitwood chairs, enough for any function up to 200 guests. We include all tables needed for food service, cake display, and gifts. We also include white resin chairs for your ceremony. There are so many little extras that are included when you choose Arbor Haven as your wedding destination. Everything we offer is included in one price. We welcome you to visit our beautiful property and see for yourself why your dream wedding can be brought to life at Arbor Haven.
